## Noah's ark

**The only place of safety**

Gen 6 & 7  
 Matt 24 v37-38  
 Acts 16 v 31

The people were disobeying God's commands.  
 Read Genesis 6 v 5&11 and then describe what the world was like in those days.

God is holy and must punish all sin. God was going to send a flood.  
 The ark was the only way of escape from the flood for anyone who would have the faith to believe that what God had said was true.  
**True faith is believing in what God says even when we cannot see it.**

**Read Genesis 6v15.**

While the rest of the world were busy with their lives, Noah was preparing for the judgement to come. He had a place of safety in the judgement which meant he would have life after the flood.

The bible tells us to be wise like Noah—we need a place of safety in the judgement to come so that we can have a sure hope of eternal life.

**Jesus is the only place of safety in the judgement to come.**
