

The Parable of the Great Feast

The Lord Jesus told a parable about a man who had a great feast.

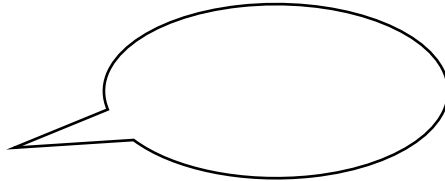

Draw some more food on the table below and colour it in:

He invited people to come but they made excuses.

What did the people say?

Yes or no ? Write it in here

They didn't want to come, they wanted to do things their own way.

Jesus says to us:

*Write over the words
with different colours.*

Come unto me.

We are all sinners and need to come and ask God to forgive us our sins.
