Acts 27

## Paul is shipwrecked

### The only way to be saved

Paul had been arrested for preaching the gospel. In about 60AD Paul was taken as a prisoner to have a trial in Rome. A centurion called Julius and his soldiers were given the job of ensuring Paul and some other prisoners got to Rome. Unscramble the letters to find out who was on the ship with the normal passengers:

-----

(Citapan)                      (Sraios)                      (Juuil)                      (Sdroiles)                      (Psnrroeis)

They travelled on 3 ships. Use the information below to draw on the map where the first 2 ships went:

#### 1. The Turkish Ship

They set sail from **Caesarea** but stopped at **Sidon**. They sailed around the top of Cyprus and then stopped at **Myra**.

#### 2. The Egyptian Grain Ship

From **Myra** they tried to get to **Cnidus** but it was windy and they ended up at **Fair Havens**. This was not a good place to stay for the winter so the captain decided to try to get to **Phenice**. They sailed close by Crete but then there was a storm and they were blown under the island of **Clauda** and then driven around by the wind in the **Adria Sea**.

Paul told Julius that they should not leave Fair Havens. Did Julius listen (v11)? **Yes/No\***

Why should Julius have listened to Paul? **Because he was: an apostle/a prisoner\***

(\*Cross out the wrong answers above)

**We should always listen to what God tells us in the Bible.**

There was a storm. Write in the letter of the picture which goes with the description of what happened:

- \_\_\_ They didn't see the sun or stars for many days because of the clouds.
- \_\_\_ They didn't eat anything for 14 days.
- \_\_\_ They used ropes to hold the ship together.
- \_\_\_ They threw things out of the ship to lighten it.
- \_\_\_ They were frightened of the rocks & quick sands.

But God promised Paul that everyone in the ship would be saved.

How many people were there in the ship?

200 + 3 score + 16 = \_\_\_\_\_ (A score is 20)

How did Paul react to what God promised? **He said, I b \_\_\_\_\_ God. Acts 27 v 25**

**We can always trust God to keep His promises.**

The sailors realised that they were getting near to land. They put anchors down at the back of the boat. They then pretended to put down anchors at the front of the boat but really they were planning to get into a small boat and try to row to the shore to save themselves.

Use the words on the anchors to complete what Paul said...

Except these abide in the ship,

Acts 27 v 31

***The Bible tells us that unless we repent of our sins and put our trust in the Lord Jesus Christ then we cannot be saved.***

The next day they took up the anchors and tried to get close to land. The ship got stuck on some rocks and began to break up but Julius told them to all jump in and either swim or use a broken piece of board to get to land. Write out the verse that says what happened:
