Peter and John heal the lame man

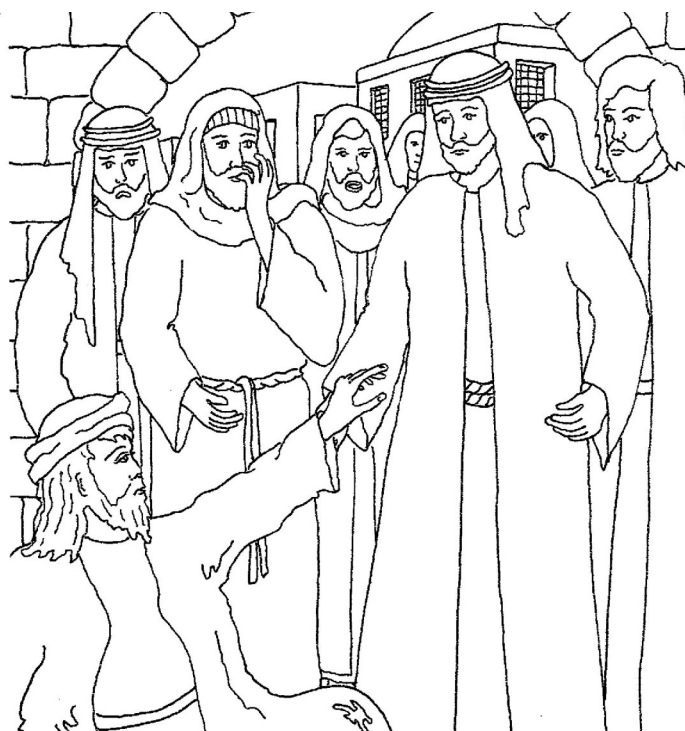

Acts
3-4

Peter and John saw a lame man sitting by one of the temple's gates.

Trace over the letters below to see what the gate was called and then colour the picture below.

BEAUTIFUL

Peter and John healed the lame man. The lame man is a picture of us. Join what the lame man was like on the left to how it is a picture of us on the right.

He was
helpless

We are sinners
from birth

Lame from
Birth

We can be saved
through faith

Needed a
Miracle

We cannot help
ourselves

He was healed
through faith

Only God can
save us

Just like the lame man was helpless and needed a miracle from God to heal him, we need God to perform a miracle in our life for us to be converted.

God also tells us that if we repent our sins will be blotted out.

Repent ... that your sins
may be blotted out
