People Jesus met - a man with leprosy

This story is about the love of Jesus.

When you have measles or chicken pox you cannot go to school, because somebody might catch it. In the days of Jesus there was a terrible skin disease, called leprosy, which quickly spread from person to person.

People who had leprosy had to live away from their homes and families. They had to stay away from everyone!

Draw a person with chicken pox

How might that person feel? Complete the face.

One day, a man with leprosy met Jesus. He pleaded with Him to make him better. "Lord, if You are willing, You can make me better," he said.

What did the man say to Jesus? Fill in the words in the correct places.

Jesus looked at the man and wanted to help him. He had a great love for all who needed Him.

He did something wonderful. He actually touched the man! Jesus didn't get leprosy, but the man was immediately better! How pleased the man must have been! Jesus had changed his life. He was well again.
